

## 每位小朋友都可以成為自己故事中的主角 Every Child Can Be the Hero of Their Own Story

每個父母都希望子女健康快樂地成長，但並非每個願望都能輕易地成真。年僅 7 歲的願望童懿晨在父母陪同下，就經歷了一次又一次的挑戰。

懿晨在兩個月大時被診斷有膽管閉塞，四歲再確診患上極罕見的淋巴瘤，懿晨的爸爸除了陪伴在側，更先後捐出肝臟及三次骨髓，協助懿晨進行多次的移植手術。

作為父母，他們希望能為懿晨創造一家人的快樂回憶，第一次有治療成果後，就首次帶著懿晨如其他小孩一樣到訪香港迪士尼樂園。

「誰想做書裏的主角？會不會是你？」在欣賞《迪士尼魔法書房》劇場演出時，米奇老鼠這句話直接走進了小女孩懿晨的內心，從她眼中看到希望，她想成為故事中的主人翁。

當願望成真基金及香港迪士尼團隊得知懿晨的願望時，娛樂事務部的演藝人員都全程投入，務必要讓懿晨願望成真！一系列主角獨有的體驗：從度身訂造戲服、化妝、梳髮型，到幕後熱身、綵排和練對白，讓她感受到自己是真正的主角。在演出前一晚，她還和媽媽精心挑選指甲油，搭配演出造型！

當米奇和高飛伴隨懿晨出場，在近千名賓客面前，包括懿晨的家人和照顧過她的醫護人員，小主角興奮又自信滿滿地踏上台板，朗讀對白，深深打動了在場的每一位！

香港迪士尼今年慶祝 20 周年，回顧過去，樂園已協助超過 340 位願望童實現願望。今年，我們以迪士尼獨有的方式實現了懿晨的願望，提醒大家希望和夢想的力量，向病童及其家人送上支持與溫暖！

Every parent wishes for their child to grow up healthy and happy, but not every wish can be easily fulfilled. At just seven years old, Yee Sun, a wish child, has faced numerous health challenges with her parents.

Yee Sun was diagnosed with biliary atresia at two months old and a rare type of lymphoma at four. Her father has been by her side, donating his liver and undergoing three bone marrow donations to support Yee Sun through multiple transplant surgeries.

As parents, they've always tried to create joyful family memories for Yee Sun. After her first successful treatment, they brought her to Hong Kong Disneyland for the first time, allowing her to enjoy a day like other children.

"Who wants to be the hero of a storybook? Could it be you?" During the "Mickey and the Wondrous Book" show, Mickey Mouse's question resonated with Yee Sun, sparking hope in her eyes as she eagerly raised her hand, dreaming of being the star of her own story.

When Make-A-Wish Hong Kong and Hong Kong Disneyland learned of Yee Sun's wish, the Disney Entertainment team went all out to make it come true! With a series of exclusive experiences—from costumes and makeup to hairstyling, backstage warm-ups, and rehearsals—every moment filled Yee Sun with excitement. The night before the show, she even selected nail polish with her mom to match her performance look!

As Mickey and Goofy escorted Yee Sun onstage in front of nearly 1,000 guests—including her family and the medical team who cared for her—the little superstar stepped confidently onto the stage and delivered her lines, deeply moving everyone present!

Celebrating Hong Kong Disneyland's 20th Anniversary, we have fulfilled over 340 wishes for children with critical illnesses. Yee Sun's dream-come-true moment—crafted with that signature Disney magic—reminds us how hope and imagination uplift young heroes and their families, lighting the way toward brighter tomorrows. Let's extend our warmth and support to every wish child and their loved ones!

迪士尼幻想工程香港挑戰賽 2025 匯聚國際年輕創意人才  
Disney Imaginations Hong Kong Design Competition 2025 Brings International Talent Together

2124 年，世界會變成怎樣？超過 640 名來自香港、大灣區，甚至海外留學的大專院校學生，就以 99 年後的 2124 年為故事背景，透過設計互動教育體驗，分享他們幻想地球如何應對各種議題上的解決方法，迎戰迪士尼幻想工程香港挑戰賽。

在接近 200 支參賽隊伍中，脫穎而出的 8 支隊伍提出的議題涵蓋海洋生態破壞、空氣污染、水污染及混沌磁場等，創意與技巧並用，最終由來自香港城市大學及香港浸會大學組成的隊伍「E13」以引人入勝的設計成功打動評審。他們的設計充滿想像力之餘，故事完整度高並具層次，配合組員沉浸式說故事技巧，成為奪冠關鍵！冠軍隊伍將會在香港華特迪士尼幻想工程展開為期三個月的實習，亦有機會到其他迪士尼樂園交流。

另外，文化體育及旅遊局局長羅淑佩當日為頒獎禮主禮，並逐一欣賞學生作品，與他們互動交流。

What will the world look like in 2124? Over 640 students from institutes in Hong Kong and the Greater Bay Area, and those studying abroad, envisioned life 99 years into the future in 2124. They designed engaging and educational experiences to share their solutions to various issues on earth, competing in the Disney Imaginations Hong Kong Design Competition 2025.

Among nearly 200 teams, eight teams stood out with bold designs addressing topics such as the destruction of the ocean, air and water pollution and chaotic magnetic fields. Team “E13,” composed of students from City University of Hong Kong and Hong Kong Baptist University, impressed the judges the most with their captivating design. Their imaginative and well-structured story, combined with immersive storytelling, were the keys to their victory. The champion team will embark on a three-month hands-on work experience at Walt Disney Imagineering Hong Kong and enjoy an exclusive trip to another Disney park. Congratulations!

Additionally, Secretary for Culture, Sports and Tourism Rosanna Law officiated the award ceremony, appreciating and interacting with the students' work.

新年快樂！香港迪士尼樂園義工隊已經準備好迎接新一年，繼續分享每個充滿愛的時刻！就如剛過去的聖誕，大家連同米奇老鼠一齊走進社區，為更多小朋友送上節日歡樂！

米奇上月走訪全球多個地方支持華特迪士尼公司的「Disney Ultimate Toy Drive」計劃，當中包括參與香港迪士尼一年一度的「分享禮物·分享愛」聖誕玩具捐贈活動。香港迪士尼並首度與救世軍合作，按小朋友的願望清單，為他們挑選及送上禮物。透過整個捐贈活動，香港迪士尼向 20 多間非牟利機構送出超過 18,000 份禮物，部分更由演藝人員捐贈，總值約港幣 400 萬元。

另外，迪士尼義工隊亦到訪了大口環根德公爵夫人兒童醫院，為 80 名病童及親友舉行聖誕派對，大派禮物。除了義工隊精彩的現場歌舞表演和攤位遊戲，當然少不了米奇的驚喜出現，讓病童享受一個奇妙節日。

香港迪士尼以不同的方式向社區傳遞關愛，在聖誕節期間推出慈善明信片和特別版《魔雪奇緣》主題角色迷你公仔，成功藉此捐款超過港幣 62 萬元予「愛心聖誕大行動」及逾港幣 29 萬元予「願望成真基金」。

Happy New Year! Disney VoluntEARS from Hong Kong Disneyland Resort (HKDL) are excited to welcome the new year, continuing to share every moment filled with love and joy! Just like this past Christmas, Disney VoluntEARS, along with Mickey Mouse, brought holiday cheer to children in the community.

Last month, Mickey traveled around the world to support The Walt Disney Company's global campaign, the "Disney Ultimate Toy Drive." He even made a surprise appearance at HKDL's annual "Give A Toy, Share the Love" Christmas Gift-giving tradition. For the first time, HKDL partnered with The Salvation Army. Our Disney VoluntEARS carefully selected each gift based on the children's individual wish lists, donating over 18,000 gifts, including contributions from cast members, valued at approximately HK\$4 million. These gifts were distributed to children in underserved communities through more than 20 NGOs.

The Disney VoluntEARS also brought the magic to the Duchess of Kent Children's Hospital, hosting a Christmas party for 80 young patients and their families. The party featured live performances, booth games, and, of course, a surprise appearance by Mickey, ensuring the children enjoyed the magical holiday season.

HKDL continues to spread love and care throughout the community in different ways. During the Christmas season, the resort launched Holiday Wishes Charity Postcards and special-edition "Frozen"-themed character mini-figurines. The proceeds from these items go toward our longtime partners – over HK\$620,000 toward Operation Santa Claus and over HK\$290,000 toward Make-A-Wish Hong Kong.

## Hong Kong Disneyland Launched the Largest Real-life Social Adaptation Training Program for SEN Children in Hong Kong 香港迪士尼為 SEN 兒童推出全港首個最大型實景社適訓練

"Seeing my 7-year-old daughter shopping, paying at the cashier and even buying her meal all on her own for the first time at Hong Kong Disneyland was incredibly joyful and gratifying!" This simple expression from a parent of a child with autism illustrates the challenges faced by children with Special Educational Needs (SEN) in learning various life experiences, as well as the pressure endured by their parents.

Hong Kong Disneyland Resort, in collaboration with the Heep Hong Society, is addressing the significant gap in real-world learning opportunities for SEN children by launching a one-year pilot scheme. This is the largest Real-life Social Adaptation Training Program in Hong Kong, specifically for over 600 SEN families and children. With the support of Disney VolunTEARS and making use of the one-stop environment at Hong Kong Disneyland Resort, the initiative is designed to provide children with special needs enhanced opportunities for learning and practical application.

「見到 7 歲的女兒首次能夠在樂園內自行購物、付款、甚至捧餐進食，是非常開心及欣慰！」這一份來自一名自閉兒童家長的簡單心聲，卻表達了有特殊教育需要 (SEN) 的兒童在學習各項生活體驗所面對的挑戰及家長承受的壓力。

香港迪士尼樂園透過協康會了解 SEN 兒童一直缺乏真實環境學習各項生活體驗，今年就首度合作，為超過 600 名 SEN 家庭及兒童，推出全港最大型的實景社會適應訓練先導計劃，為期一年。在迪士尼義工隊的支持下，利用香港迪士尼一站式的環境優勢，令 SEN 兒童能夠有更多學習及實踐機會。

### Bread Run 麵包傳愛大行動

Our Disney VolunTEARS regularly work alongside the Foodlink Foundation, gathering up unsold bread from local bakeries. These bread buns are then redistributed to charitable organizations to share with those in the community who need it most. It's a wholesome collaboration that puts leftover loaves to good use.

迪士尼義工隊經常走訪本地麵包店收集剩餘未售出的麵包，透過與膳心連基金之間的合作，轉贈給各區慈善機構，令社區內有需要人士得到溫飽，亦減少浪費。

This year, on World Wish Day (Apr 29), Hong Kong Disneyland and Make-A-Wish Hong Kong teamed up to grant a magical wish for Heison, an eight-year-old fan of Lightning McQueen. Heison, who is courageously battling acute lymphoid leukemia, admires Lightning McQueen not only for his speed but also his never-give-up spirit – a powerful source of inspiration for him. During the celebratory procession, he marched alongside Lightning McQueen and Jonathan Hui – the first Hong Kong racecar driver to win the GT World Challenge Europe Endurance Cup. As a token of encouragement to pursue his dreams, Jonathan gave Heison the medal he won at the race in Belgium!
